

CURRICULUM VITÆ

Name LAURENT
First name Thibault

Address Toulouse School of Economics
1, Esplanade de l'Université
31080 Toulouse Cedex 06
Office T.206

Phone/Fax +33 (0)5 61 12 88 99 / +33 (0)5 61 12 86 37
E-mail thibault.laurent@tse-fr.eu
URL for web site www.thibault.laurent.free.fr
ORCID 0000-0001-7487-7671

Date of Birth November 12, 1981
Citizenship French

Education

2021 – Current PhD Candidate in Statistics at Toulouse School of Economics, Université Toulouse Capitole, France. Supervised by Christine Thomas-Agnan and Abdelaati Daouia

2004 Master 2 Statistics and Econometrics, University Paul Sabatier & Université Toulouse Capitole

Current Position

2019 – Research Engineer (Ingénieur de Recherche) at CNRS (Centre National de la Recherche Scientifique), Toulouse School of Economics, Department of Mathematics and Statistics

Previous Position

2008 – 2019 Research Engineer (Ingénieur d'Etudes) at CNRS (Centre National de la Recherche Scientifique), GREMAQ (becomes Toulouse School of Economics in 2016)

Fellowships and Awards

2023 – 2026 French National Research Agency via Belmont Forum (Co-PI: T.Laurent and P.Margaretic) - Future Earth Integrated Approaches to Human Migration/Mobility in an Era of Rapid Global Change. France-Chile-Tanzania.

2019 – 2023 French National Research Agency. Member of the ANR ExtremReg “Extremal Regression with Applications to Econometrics, Environment and Finance” (PI: A. Daouia), TSE.

2011 – 2016 French National Research Agency (ANR-11-BSH1-0005/ModuLand project). Leader of the part “Spatial exploratory data analysis” (PI: C. Thomas-Agnan), TSE.

Supervision of Graduate Students

2020 – 2023 5 Master Students (M. Canovas, M1, 2023, S. Pan, M1, 2022, I. R. Barreiro, M1, 2021, C. Mondon, M1 ENS Ulm, 2021, G. Watkinson, A2 ENSAE, 2020) .

Teaching Activities

2010 – Current Master in Statistics and Econometrics (with ANITI label): Statistical Software (R advanced), Spatial Econometrics, Statistical Consulting (collaboration with Airbus, BVA, CNES, Thalès) in second year, Introduction to Parallel Computing in first year.

Organisation of Scientific Meetings

2023 Member of the Organization Committee of ICORS 2023 Conference, Toulouse School of Economics
2022 Member of the Organization Committee of CoDaWork 2022 Conference, Toulouse School of Economics
2019 Member of the Scientific Committee and Organization Committee of the useR! 2019 conference, Toulouse School of Economics
2016 Co-chair of the “6e Rencontre R” conference, Toulouse School of Economics
2013 Member of the Organization Committee of “45e Journées de Statistique”, Toulouse Business School
2011 Member of the Organization Committee of “Spatial Econometrics World Conference”, Toulouse School of Economics

Institutional Responsibilities

2021 Expert member of the recruiting committee of a statistician engineer at CNRS
2018 & 2019 External member of the recruiting committee of a statistician engineer at Université of Toulouse (PROGEDO)
2016 – 2020 Elected member of the “Conseil de laboratoire”, UMR TSE-R
2013 – 2014 Co-organizer of the MAD-Stat (Decision Mathematics/Statistics) Seminar, Toulouse School of Economics

Reviewing Activities

2022 – Current Reviewer in Advances in Data Analysis and Classification
2016 – 2021 Reviewer in Case Studies In Business, Industry And Government Statistic

Memberships of Scientific Societies

2022 – Current Member of the Scientific Committee of the “Réseau Interdisciplinaire autour de la Statistique” (MITI CNRS)
2017 – 2021 Member of the Scientific Committee of the “Réseau Interdisciplinaire autour de la Statistique” (RTP CNRS INEE)

Invited conference talks

2022 Conference in honor of Christine Thomas-Agnan, Toulouse (France) : “*An Evaluation of The Joint Congressional Resolution for Providing Admission of Texas to the Union in 1845: Would Texan Citizens Benefit from a Split of Texas Into Five States ?*”
2017 Journée d’étude PROGEDO, Toulouse (France) : “*Quelques exemples d’utilisation de données libres en sciences sociales et économiques*”
2016 4e Rencontres R, Grenoble (France): “*Statistique spatiale avec R*”

Contributed talks

- 2022 CoDaWork 2022, Toulouse: “*Mapping Spatio-compositional Data*”
2022 EcoSta 2022, London: “*Heavy-tailed extremile regression in risky seismic areas*”
2021 JdS (SFdS) 2021, Nice: “*Covariates impacts in spatial autoregressive models for compositional data*”
2021 SEW 2021, Nantes: “*Impacts calculation and visualization in spatial flows modeling, application to remittances*”
2018 useR! 2018, Brisbane (Australia): “*npbr: A Package for Nonparametric Boundary Regression*”
2018 Social Choice and Welfare conference, Seoul, South Korea: “*Exploring the effects of national and regional popular vote Interstate compact on a toy symmetric version of the Electoral College: an electoral engineering perspective*”

Invited seminars

- 2019 Séminaire OMP, CNRS Toulouse
2018 Séminaire ODR, INRA Toulouse

R packages

- **caschrono** in collaboration with Yves Aragon
<https://cran.r-project.org/web/packages/caschrono/index.html>
- **GeoXp** in collaboration with Anne Ruiz-Gazen and Christine Thomas-Agnan
<https://github.com/cran/GeoXp>
- **npbr** in collaboration with Abdelaati Daouia and Hohsuk Noh
<https://cran.r-project.org/web/packages/npbr/index.html>
- **frontiles** in collaboration with Abdelaati Daouia
<https://cran.rstudio.com/web/packages/frontiles/index.html>

Research visits abroad

- Université Catholique de Louvain, collaboration with Abdelaati Daouia, March 2013

List of Publications
